**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I support broadband competition and competitive deployment.

Please dont allow AT&T, US Telecom or any other provider to take away access to critical unbundled network elements. Please keep Sonics and other providers access to this very important infrastructure. I also totally support net neutrality.

Thank you for taking the time to hear my voice.
